

Dear Beloved Heart,

Thank you for your sincere interest in receiving a Life Review. This is a profound undertaking—for both you and us. It represents a sacred partnership between your soul's readiness and the Council's willingness to offer clear, compassionate insight into your spiritual journey.

What Your Life Review Includes

Upon completion, you will receive a written Life Review document, approximately 15 to 30 pages in length, personally channeled for you. The depth and detail of your review will reflect the unique complexity of your soul.

This document will include:

- An exploration of key past-life dynamics influencing your current patterns
- Identification of your core gifts and how they have been expressed or avoided
- Insight into recurring challenges and their soul-level purpose
- A practical and spiritual roadmap for your focus over the next 12 to 18 months
- Responses to 3 to 5 specific questions you submit prior to the review
- A personalised blessing and affirmation for daily practice
- Customised new moon and full moon rituals to support intention-setting and release
- A 21-day meditation practice with daily prompts and visualisations tailored to your review
- A sacred image—such as a mandala or symbolic story—created by Dellaina, guided by the Council of Light, to harmonise both hemispheres of the mind

A Blessing from the Council for Our Start

We see you before you speak.
We know the threads you carry.

Look gently. Receive fully.
Then rise and walk, more yourself than ever.
Amen.
